A MESSAGE FROM THE CHAIRMAN

BY DR. SHAYNE GREEN,
CHAIRMAN, BRAZORIA
COUNTY REPUBLICAN PARTY

It has been little more than a year since Biden took office and he has already managed to derail this country. We have inflation not seen since the 1970s—everyone is paying more at the pump and more at the grocery store. His weakness has emboldened Russia, North Korea, China, and Iran to aggression. Our borders are wide open, our citizens are being forced to take a vaccine they don't want in order to remain employed, and Biden gave Putin permission to complete Russia's pipeline while cutting off the pipelines in our country! Are you mad yet?

The 87th Texas Legislature had a great session with three special sessions. We did not get everything we wanted, but we did get the Heartbeat Bill, Constitutional Carry, and Election Integrity (SB1). This is what happens when Republicans take charge. But the fight is not over! We must take back Congress and we must keep Brazoria County Red! Are you with me?

The Brazoria County Republican Party has put together this Voter's Guide to help you select the best candidate in each race and to help you get to the polls. Every single Republican and Independent must vote in EVERY election in 2022. The Democrats have candidates on the ballot to enact CRITICAL RACE THEORY in our schools and DEFUND the POLICE in our cities. We must stop them and we must elect Republicans in these city, school board and drainage elections. Let's keep Brazoria County Red!
