# A MESSAGE FROM THE CHAIRMAN

**BY DR. SHAYNE GREEN,  
CHAIRMAN, BRAZORIA  
COUNTY REPUBLICAN PARTY**

Since Joe Biden took office in 2021, he has managed to wreck this country. Gasoline is over \$3 per gallon, interest rates are over 6%, and the cost of groceries is up substantially. Every item I buy at the grocery is 50-100 % higher than it was 2 years ago. We have inflation at levels not seen since the 1970s. Everyone is spending more on the basics. To make ends meet, people are cutting their spending, dipping into their savings, or incurring more debt. I just received my property tax appraisal and was shocked at the increase in assessed value for my home! Our cities and schools are seeing the impact of inflation too. They will need to raise our tax rates to continue operating at the current level.

The Brazoria County Republican Party (BCRP) has put together this Voter's Guide to help you select the best candidate in each race and to help you get to the polls. Every single Republican and Independent must vote in the May 6th municipal and school board races! We must elect Republicans that will make wise decisions on spending--we cannot elect Democrats that want to foolishly spend your hard-earned dollars on failed policies and a

WOKE agenda! We must elect common-sense conservatives in these city, school board, and drainage district elections. Let's keep Brazoria County Red!

This Voter's Guide was paid for by the Brazoria County Republican Party. We are funded by donations from citizens in our county and all our funds are spent right here in Brazoria County to elect Republicans from the top of the ballot to the bottom. Please consider donating today to BCRP using the QR code, or by sending a check to the return address shown on the back. Thank you!
