# OFFICIAL VOTER'S GUIDE OF THE BRAZORIA COUNTY REPUBLICAN PARTY

## A MESSAGE FROM THE CHAIRMAN

BY DR. SHAYNE GREEN,  
CHAIRMAN, BRAZORIA  
COUNTY REPUBLICAN

Did you know that Brazoria County ranks as the 15th largest county in Texas? With our population booming, we're feeling the strains of growth firsthand. Speaking of strain, since President Biden took office, inflation has surged to levels not seen since the 1970s. From the gas pump to the grocery store, everyone's feeling the pinch. Gas prices are projected to hit a staggering \$4 per gallon this year. The current administration's weakness has emboldened adversaries like Russia, China, and Iran, while our borders remain dangerously porous. It's clear: we need competent, conservative leadership at the local level. We need officials who can manage budgets responsibly, prioritize education, and ensure the safety of our communities.

May 4th marks our local elections, with a primary run-off following later in May. The turnout for the Primary was disappointing, and we simply cannot afford for anyone to sit this one out. The Brazoria County Republican Party has crafted a Voter's Guide to assist you in selecting the most qualified candidates for each race and to help you navigate to the polls. Every Republican and Independent voice counts. In 2024, we must unite to vote in EVERY election. The Democrats are united behind their candidates and their own agenda. It's up to us to stand united, to oppose their agenda, and to elect Republicans who will uphold our values in city councils, school boards, and drainage boards. Let's come together and ensure that Brazoria County remains a beacon of conservative values and prosperity. Together, we can make a difference.

**LET'S KEEP BRAZORIA COUNTY RED!**
