OFFICIAL VOTER'S GUIDE OF THE BRAZORIA COUNTY REPUBLICAN PARTY

MESSAGE FROM THE CHAIRMAN

by Dr. Shayne Green, BCRP Chairman

This year is packed with elections that will define the future of our communities—and your vote is the most powerful tool you have. In May alone, we face two critical elections. We know affordability is pressing for many families right now, but the progress we're seeing here in Brazoria County—and across Texas and the nation—is real. Protecting that progress starts at the polls.

The Brazoria County Republican Party has prepared this Voter's Guide to help you navigate every race, identify the strongest conservative candidates, and find your polling location. Every Republican and Independent voter is encouraged to participate in the May 2nd municipal and school board elections. Make no mistake: local elections are consequential. They determine how your tax dollars are spent, how your children are educated, and how your neighborhoods are kept safe. Outside groups—including Soros-funded PACs—are already pouring money into local races right here in Brazoria County. We must answer that with strong turnout and unified support for candidates who will spend responsibly, prioritize excellent education, back our law enforcement, and uphold the rule of law.

We also have the Republican Primary Runoff Election on May 26th. Grassroots voters are the backbone of these races—your engagement is what selects our strongest candidates. Watch our website for additional details coming soon.

This Voter's Guide is paid for by the Brazoria County Republican Party—funded entirely by local citizens like you. Every dollar we raise is invested right here in Brazoria County, from the top of the ballot to the bottom. Please consider supporting BCRP with a donation using the QR code or by mailing a check to the address shown above.

Thank you for your support. Thank you for voting. Let's keep Brazoria County Red.
