Message from Dr. Shayne Green

Chairman, Brazoria County Republican Party

Two years ago, Republicans turned out in record numbers across the nation, Texas, and Brazoria County. This November 3rd, turnout will again be critical. If Republican voters stay home because they are dissatisfied with President Trump, or any particular issue or candidate, important races across the country, state, and county could be decided by a relatively small number of votes.

Before deciding to sit this election out, remember what has happened during President Trump's last 22 months in office:

1. The southern border has been secured and there have been no releases of illegal immigrants into the country for 15 consecutive months.
2. Criminal illegal immigrants are being deported (remember 22-year-old Laken Riley!)
3. Crime has fallen substantially.
4. Inflation has fallen significantly from 9% during Biden to less than 4% today.
5. Taxes have been reduced for working Americans and seniors with no tax on tips and social security.
6. The poverty rate has fallen to a record low.
7. Jobs and investment are growing.
8. Manufacturing investment has surged to \$11 trillion.

There are still stubborn problems to solve. We need to give President Trump and Republican leaders the opportunity to continue implementing the policies voters supported—and we need to elect Republicans who will support those efforts rather than reverse them.

Also, many people have told us they plan to wait and vote on Election Day. That could mean longer lines at the polls. Please, consider voting early and avoiding the Election Day crowds.

This voter guide will help you find your nearest polling location, check polling hours, and identify the Republican candidates on your ballot. Take this guide with you when you vote and use it as a reference at the polls.

No one can afford to sit this election out. November 3rd—Make Your Voice Heard. Vote!

- Shayne Green

State Senate District 11

Dennis Paul has served as a State Representative since 2014 and is proud to be the only Professional Engineer in the State House. His unique background in engineering is critical to our region in fighting for drainage improvements, Texas Windstorm Insurance reform, and transportation projects critical to key industries in our local economy. Rob Giesecke

Brazoria County Judge

Rob is known as someone who delivers on his promises. When he was at Port Freeport, he promised to eliminate the property tax, cut wasteful spending, and create term limits. He delivered on every one of his promises. As County Judge, Rob's priorities are to further cut taxes to make Brazoria County more affordable, freeze county property tax rates for seniors, fully fund law enforcement, and improve our roads and drainage infrastructure. Rob Giesecke will continue putting taxpayers first as our next County Judge.
